

## Nokian Noktop Nordic

### Nokian Noktop Hakkapeliitta D

Width	230, 240, 250, 260, 275, 285 mm
Length	3350 - 3360 mm
Pattern Depth	19,5 - 20,0 mm
Application	Special winter traction pattern <ul style="list-style-type: none"> <li>• Autumn fitting</li> <li>• Long distance haul</li> <li>• Long distance busses</li> </ul>

#### Technical data

Order code	Width mm	Length mm	Pattern Depth mm	Kg/m	Kg/pcs	Product code
HKPL D 230	230	3350	20,0	5,0	16,8	T672633
HKPL D 240	240	3350	20,0	5,2	17,4	T672634
HKPL D 250	250	3360	20,0	5,4	18,3	T672635
HKPL D 260	260	3360	20,0	5,5	18,5	T672636
HKPL D 275	275	3355	20,0	5,8	19,6	T672637
HKPL D 285	285	3355	19,5	6,1	20,3	T672638

Compound Special rubber compounds based on cap/base -system

#### Green

- HA-oil free
- Low rolling resistance
- Low tyre noise
- Excellent durability
- Production process fulfills ISO 14 001 environmental standard

#### Properties

- Best grip on packed snow and ice, main roads
- Cap/base –construction
- 3D-siping
- DSI (Driving Safety Indicator)
- Patented Twin Block pattern
- Over 1000 transverse sipes
- Sipe activators
- WSI (Winter Safety Indicator)
