

Nokian Noktop Nordic

Nokian Noktop Hakkapeliitta F

Width 370, 390 mm

Length 2865 - 2970 mm

Pattern depth 13 mm

Application Winter tread for free rolling axes

- For 435/50R19.5 and 445/45R19.5 Super Single sizes

Technical data

Order code	Width mm	Length mm	Pattern Depth mm	Kg/m	Kg/pcs	Product code
HKPL F 370	370	2970	13	5,6	16,6	T672581
HKPL F 390	390	2865	13	6,1	17,5	T672582

Compound

Special rubber compound

- Excellent winter and wear properties

Green

- HA-oil free
- Excellent durability
- Low heat build-up and rolling resistance
- Low driving noise level
- Production process fulfils environmental standards of ISO 14 001

Properties

- Due to pattern design rate of irregular wear is low
- Excellent grip and mileage
- Non-directional pattern
- M+S marking
- DSI – Driving Safety Indicator
- WSI - Winter Safety Indicator

Alternative
